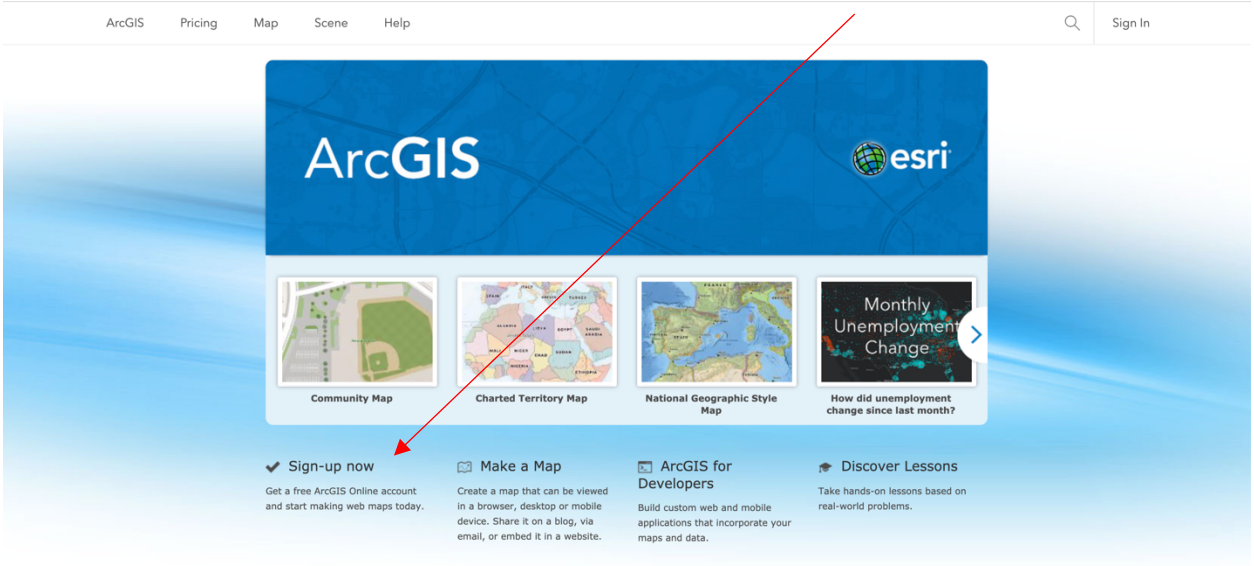
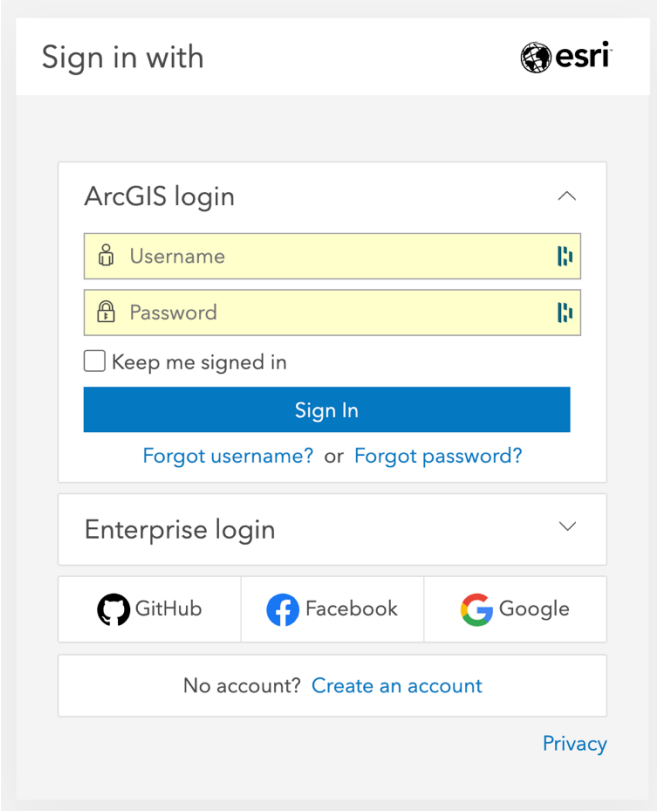
ArcGIS Create New Account:

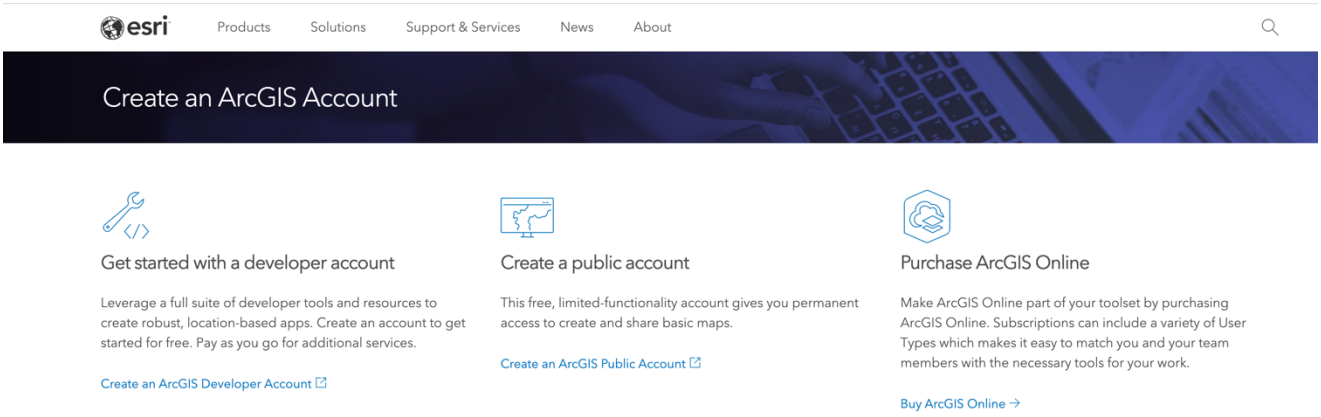
1. Head to https://www.arcgis.com/ and click on the “Sign-up now” button



2. Locate and click on the “Create an account”



3. Click on the “Create an ArcGIS Public Account” under the Create a public account section.



4. If you need help on how to proceed forward here is a video tutorial to help guide you.

5. You should receive an email to activate your account once you click that link, you will be all set to move forward!
